Subject: FW: Participation of your students at Annual Sparkle innovation contest 2018 at KPIT Technologies Pune

Dear Dr. Pathak,

Hope you are doing well. Thanks for your time in Delhi for meeting regarding discussion on our annual innovation contest for students "KPIT Sparkle". We'll be very grateful to you if maximum number of students participate in the event from HBTU and AKTU. The last date of registration and idea submission has been extended to 16th Oct 2017. I have enclosed the updated poster for ready reference.

The registration link is sparkle.kpit.com

Quick Facts are as follows.

- Contest is open for all students of undergraduate, postgraduate and Ph.D. courses of science and engineering colleges and universities
- Registration to the contest is absolutely free
- Your Intellectual Property remains with you
- Last date of Registration and Idea submission is 16th Oct. 2017
- Win awards over 21 Lakhs
- Grand Finale of KPIT Sparkle 2018 will be in Pune, Maharashtra
- Traveling and Accommodation for selected finalists will be provided by KPIT Technologies

Subject: Participation of your students at Annual Sparkle innovation contest 2018 at KPIT Technologies Pune

Dear Dr. Pathak,

It was great moment to talk to you after 27 years and I am very happy that you remembered me. I am currently working with KPIT Technologies Ltd., Pune in corporate technology organization in Innovation area. It gives me great honor to introduce KPIT Sparkle 2018, the 4th edition of Annual Innovation contest for All India Science and Engineering Students. It'd be honor to us if maximum students participate from HBTU and Dr. APJ Abdul Kalam University, U.P. and other universities you are associated with.

We, at KPIT Technologies are at the forefront of engineering and IT and also create differentiated products and technologies in the area of energy and transportation, that are smart, safe and sustainable. We have 12000+ employees and 31 offices across the world, 58+ patents and 9 Innovation awards. KPIT products combine imagination with stringent quality controls and rigorous testing. We bring passion, agility and a collaborative spirit of constant refinement.

In addition, we have a very strong focus on innovation and we leverage the great talent present in the form of students from educational institutions across the country. Every year we conduct Pan India innovation competition where students participate in the competition because we see Great Ayrabhatta, Great Dr. C.V. Raman, Great Bhaskarachaya, Great Dr. Vishveshwaraiya, Great Dr. J.C. Bose, Great Dr. Ramanujan, Great Dr. Kalam amongst these students. Through KPIT Sparkle, we offer them a platform where they bring their innovative ideas to participate and compete with students from all over India. The KPIT Sparkle program is blessed by the able guidance of world renowned scientist, **Dr. R.A. Mashelkar** who is also the chairman of "Innovation Council" of KPIT. He also heads the esteemed panel of Jury for the KPIT Sparkle event and this jury panel is comprised of eminent national and international experts from industry as well as academia.

As discussed I'll meet you in Delhi on 9th August at Marriot Hotel in Aero City, New Delhi for detailed presentation and possible collaboration.

The program details are in following mailer and also enclosed in detailed pdf.
