**Subject: Regarding NOE 081 registration on MOOCs and end semester examination**

Sir/Madam

Please refer our University letter Dated 22 Jan 2018, Ref. No. AKTU/DeanUG/2018/8406, subsequent workshops at Noida and Lucknow Campuses of the University and the other communication regarding this course through MOOCs(NPTEL) **mandatorily** for all BTech (2014-18) except Agriculture Engineering.

In continuation to all the above, it is brought to notice that still a few students could not enroll for this course at NPTEL. On request, Hon'ble Vice chancellor sir has consented for the registration for all such leftout students till 12<sup>th</sup> March 2018. It is important to note that this must be treated as last and final opportunity for enrolling to this course at NPTEL without any special consideration regarding the missed assignment contributing towards the internal assessment for the course.

The students who could not enroll at NPTEL shall be awarded Zero in internal assessment for this course.

The students enrolled with NPTEL for this course shall be awarded e-certificate (IIT Kanpur) of having this course done through NPTEL platform on successful completion.

Further it is to note that University in coordination with IIT Kanpur shall conduct MCQ based offline end exam for this course which shall be notified as regular practice of declaring end semester Examination Scheme.

The students, who due to any reason could not enroll, may be allowed to appear for University end semester examination though they shall be awarded zero in internal assessment for this course.

You are requested to kindly a note for necessary communication for all your students and for support please.
